**Interac Association and Acxsys Corporation Select
Concourse Financial Software Suite™**

Omaha, NE — November 9, 2015 — Baldwin Hackett & Meeks, Inc. (BHMI), a leading supplier of high-volume transaction processing software, is proud to announce that Interac Association and Acxsys Corporation have selected the Concourse Financial Software Suite™ – a proven, modular software suite designed to handle back office processing for electronic payment transactions.

“We are dedicated to investing in our back office capabilities,” said Romi Kohli, Vice President, Technology Development at Interac Association and Acxsys Corporation. “We selected the Concourse Financial Software Suite because it is built on a rules-based architecture that provides the flexibility we want within our environment.”

“BHMI is honored to be working with one of the most dynamic and innovative players in the electronic payments industry,” said Lynne Baldwin, President of BHMI. “We are looking forward to a long-term relationship and helping the organization meet its needs with the Concourse Financial Software Suite.”

ABOUT INTERAC ASSOCIATION AND ACXSYS CORPORATION

Interac is Canada’s leading payment brand. Together, the Interac Association and Acxsys Corporation operate an economical, world class debit system with broad-based acceptance, 24/7 reliability, security and efficiency. The brand is chosen an average of 12 million times daily to pay and exchange money. *Interac* products and services securely connect people to their money at ABMs through *Interac* Cash, at retailers across Canada through *Interac* Debit and the US, and online through web-based services – *Interac* Online for online purchases, *Interac* e-Transfer® for person-to-person payments and *Interac* e-Transfer bulk disbursement for business banking customers. In addition, *Interac* Flash®, the secure contactless enhancement of *Interac* Debit, is in widespread use at retailers across Canada and provides the platform for mobile NFC proximity payments. The organization is also a leader in the prevention and detection of fraud. For more information, please visit www.interac.ca.
