BHMI to Exhibit at PAYTHINK 2017

During PAYTHINK, BHMI will be showcasing the Concourse Financial Software Suite.

Omaha, NE — August 16, 2017 — Baldwin Hackett & Meeks, Inc. (BHMI), a leading provider of enterprise software applications, will be showcasing the Concourse Financial Software Suite™ at PAYTHINK 2017 in Phoenix, Arizona from September 18 through 20, 2017.

The Concourse Financial Software Suite is a proven and modular software suite specifically designed to reduce the cost and complexity of back office processing for electronic payment transactions including credit, debit, ATM, POS, P2P, and mobile transactions. With user-configurable business rules, an online transaction repository, and a continuous processing architecture, Concourse proactively assesses and allocates fees for all business relationships, settles and reconciles all transaction types, and automates the process of identifying and facilitating disputes.

BHMI is inviting anyone attending PAYTHINK to visit Booth 148.

ABOUT BALDWIN HACKETT & MEEKS, INC.

Baldwin Hackett & Meeks, Inc. (BHMI) is an elite group of technologists who have been creating primary business applications since 1986. From small startups to Fortune 500 companies, BHMI clients have one thing in common – they trust BHMI to develop software that ensures the successful operation of their businesses. This is because BHMI’s core competency is creating enterprise software applications that are continuously available, highly scalable, and undeniably reliable. For more than three decades, BHMI has developed and supported hundreds of applications across a wide range of industries. This includes both custom applications and software products. BHMI leveraged this expertise to create one of the world’s most flexible and powerful back office solutions in the electronic payments industry – the Concourse Financial Software Suite.
