### **Ron Zaysoff Joins BHMI As Concourse Senior Account Executive**

**OMAHA, Neb. – March 16, 2020** BHMI, a leading provider of enterprise software applications and creator of the Concourse Financial Software Suite™, announced Ron Zaysoff has joined the company as Concourse Senior Account Executive.

With over 30 years of experience in providing technology solutions for the payments industry, Ron Zaysoff will be leveraging his expertise to support the business development initiatives of BHMI's Concourse Product Division. Prior to joining BHMI, Ron held high-level positions with several leading payment software solution companies. As a result, he is ideally suited for this position at BHMI.

"Ron's experience, strong focus, and expertise in the payments space are invaluable assets he is bringing to our team," said Marc Vaughn, BHMI's Concourse Sales Director. "We are pleased to have him on board to support BHMI's business growth strategies."

"BHMI is a proven software solutions provider in the payments industry and a company that I am proud to be a part of," said Ron Zaysoff. "I am excited to work with the Concourse Product Division and look forward to helping in its continued growth and long-term success."

#### **About BHMI**

BHMI is a leading provider of product-based software solutions focused on the back-office processing of electronic payment transactions. The company is best known as the creator of the Concourse Financial Software Suite™ – a unique integrated collection of back-office products allowing companies to quickly and easily adapt to the rapidly changing world of payments. Concourse is a cohesive and integrated package, including settlement, reconciliation, fees processing, and disputes workflow management, that reduces the cost and complexity of back-office processing. Concourse's continuous processing, near real-time architecture and powerful rules engine is ideally suited for new payment initiatives like P2P and enables companies to perform back-office processing for any type of payment transaction.
