BHMI Celebrates 35 Years of Moving the Payments Industry Forward

OMAHA, Neb. – March 25, 2021 BHMI, a leading provider of payments software best known for its Concourse Financial Software Suite, is celebrating its 35th anniversary this year. Founded in 1986 by Chairman, Dr. Jack Baldwin; President, Dr. Lynne Baldwin; and SVP of Software Development, Mr. Michael Meeks, BHMI has remained a proven leader and trusted partner to organizations in the payments, financial services, retail and telecommunications, transportation, government, education, and health care industries for more than three decades, building a strong reputation for product excellence and in-depth expertise across a broad range of services.

Since its inception, BHMI has leveraged an agile development methodology powered by a team of talented individuals committed to delivering the best products and customer service excellence. This strategy has allowed the company to maintain its mission to design, develop, and support quality enterprise software applications that create true value for its clients.

To help celebrate this milestone and show appreciation for its clients and partners, BHMI is giving away 35 gift cards from various premium retailers. To enter for a chance to receive a gift card, participants should visit www.bhmi.com/35th-anniversary/ and register by end of day on Friday, April 30th. The 35 gift card winners will be contacted on Monday, May 3, 2021.

“Thirty-five years of business excellence is a major accomplishment,” said Dr. Lynne Baldwin, President of BHMI. “We’re very proud of the work we’ve done over the years and look forward to continuing to serve our clients’ needs with honesty and integrity. We appreciate the opportunity to be able to celebrate these accomplishments with our team and clients.”

“As a founder, watching our company grow over the years has been such a rewarding experience,” said Dr. Jack Baldwin, Chairman of BHMI. “Our talented, passionate team has allowed us to continue to consistently deliver quality software solutions that meet the demands of our clients, no matter the need. The longevity of our company and our client relationships is testament to that success.”

About BHMI

BHMI is a leading provider of product-based software solutions focused on the back-office processing of electronic payment transactions. The company is best known as the creator of the Concourse Financial Software Suite® – a unique integrated collection of back-office products allowing companies to quickly and easily adapt to the rapidly changing world of payments. Concourse is a cohesive and integrated package, including settlement, reconciliation, fees processing, and disputes workflow management, that reduces the cost and complexity of back-office processing. Concourse's continuous processing, near real-time architecture and powerful rules engine is ideally suited for new payment initiatives like P2P and enables companies to perform back-office processing for any type of payment transaction. To learn how your company can benefit from the power and flexibility of Concourse, please visit www.bhmi.com.
